Sharp MultiSync® E329 LCD 32" Essential Large Format Display

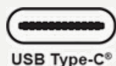

Sharp MultiSync® E9 serien er inngangsnivået for profesjonelle displayløsninger og er utviklet for moderne arbeidsmiljøer som trenger mer enn det en vanlig forbruker TV kan tilby.

- Optimal lesbarhet – et high haze panel reduserer blanding fra vinduer og omgivelseslys, slik at skiltinnhold og presentasjoner er tydelige og letteste i alle miljøer.
- Standardisert funksjonalitet – deler samme design, betjening og enhetshåndtering som øvrige skjermer i Sharps displayportefølje, noe som sikrer en enhetlig brukeropplevelse og smidig fjernstyring.
- Enkel plug and playskilting – den integrerte USB-mediespilleren gjør det mulig å spille av UHD innhold direkte med autostart, slik at digital skilting kan settes i gang umiddelbart uten behov for ekstern maskinvare eller innholds håndteringssystem.
- Fleksibel orientering – designet for både stående og liggende montering, med en ramme som har samme bredde rundt hele skjermen for et rent og profesjonelt uttrykk i alle konfigurasjoner.
